The confrontation with Indonesia cut to the heart of Britain's desire to retain global power status in the 1960s and was central to decolonisation and British defence policy across South-East Asia. Factors such as the need to maintain a military base in Singapore drove strategy and this confrontation became a major commitment - close at times to escalating into full-scale regional war.

The tensions that caused the War of 1812 arose from the French revolutionary (1792 – 99) and Napoleonic Wars (1799 – 1815). During this nearly constant conflict between France and Britain, American interests were injured by each of the two countries ' endeavours to block the United States from trading with the other.

Britain and France issued a joint ultimatum to cease fire, which was ignored. On 5 November, Britain and France landed paratroopers along the Suez Canal. While the Egyptian forces were defeated, they had blocked the canal to all shipping. It later became clear that Israel, France and Britain had conspired to plan out the invasion.

The Emancipation Proclamation of 1863 caused the British government to change their pledged neutrality to outright condemnation of the Confederacy in order to appease their own citizens. The overall role Great Britain played in the American Civil War was more prominent than most people know about, which is what this exhibit is focused on sharing.
