Aum is the universal mantra, the mantra from which all other mantras emanate. This is why it is called the pranava mantra which means 'the primal sound'. The sounds within the mantra " AUM " have appeared time and again in most of the world's faiths: Amen in Christianity, Amin in Islam and Amon in Ancient Egypt.

Mantra Yoga: A Full Guide to Mantra Chanting and Japa Yoga ...

These sounds are woven together and then projected through the sound of ungi or complete Totality. This is the base mantra of all mantras. Adversity melts before this mantra. It gives you the capacity of effective communication so your words contain mastery and impact.

Mantra Yoga and Primal Sound: Secret of Seed (Bija ...

Cultivating a sonic presence can be liberating in a way, as you experience the numinous nature of the sound. It is said that each chakra has a particular vibration and certain mantras can resonate and harmonize that energy. "A mantra is a much more complex concept than a mere chant," adds Risha Lee, curator of Exhibitions at the Rubin Museum of Art in New York City.

Mantra Yoga and Primal Sound: Secret of Seed (Bija ...

According to the yogic and metaphysical science, Mantras are primal sounds that alter the patterns of the mind and brain chemistry. Patanjali Sutra 1.2: yogash chitta-vritti-nirodhah "Yoga is the cessation of the fluctuations, or whirlings, of the mind." The ancient sages describe Mantra as a seed, which when ripe flowers the Divine within you.

Modern science and ancient wisdom traditions agree that the universe is a symphony of vibrational frequencies. In this beautiful, comprehensive, and unique work, Dr. Frawley elaborates the essential truths about cosmic sound, and how we can employ important mantras for healing, transformation and inner awakening.

'Inner Tantric Yoga' presents the deeper tradition of Tantra, its multidimensional vision of the Divine and its transformative practices of mantra and meditation that take us far beyond the outer models of how Tantra is usually presented today.

Unveiled in this book are the secrets of the occult sciences of Yantra, Mantra and Tantra to help the reader achieve worldly success and spiritual enlightenment. Detailed instructions are given for the preparation and application of Yantras for specific purposes: to win favours, defeat for selecting and using Mantras to attain miraculous powers, and fulfilment of one's desires, are explained in detail. In the Tantra section of the book, methods of treatment of diseases by herbs are given. Information is provided about Tantric articles and where to obtain them.

"The Rig Veda is not only one of the oldest sacred scriptures of the world, but also one of the most misunderstood. Past scholarship has dismissed the hymns of the Rig Veda as being expressions of a

primitive animistic mentality that only rarely rose to true spiritual and philosophical heights. David Frawley's book demonstrates that this judgmental view is ill-founded. His fine renderings of select Vedic hymns bear witness to the fact that their composers were sages and seers--powerful poets who knew the art of symbolic and metaphoric communication. The Vedic hymns give us a unique glimpse not into a primitive mentality but a mentality and culture that revolved around the highest spiritual values and visions. This is an important and riveting book, ushering in a new and sounder tradition of Vedic interpretation and scholarship." Georg Feuerstein

Lord Shiva is the personification of all the main practices of Yoga, as the origin and ruling power over asana, prana, mantra, inner seeing and meditation. The current book unfolds the presence, light, energy and consciousness of the Supreme Shiva to take us beyond all death and duality.

Soma in Yoga & Ayurveda cracks the secret code of "Soma" and de-mystifies the myth and logic about its practical application. Dr. Frawley has clearly outlined that the real fountain of Soma is well within you and tapping into that nourishment will make your life enlightened and blissful.

As yoga gains popularity across the U.S., many people are becoming interested in its traditional Vedic roots. While Buddhist meditation is well represented on bookshelves, there has been little Vedantic philosophy written in lay terms until now. Author David Frawley guides readers through the challenges of cultivating awareness, calming the mind, and practicing meditation according to Vedanta and Hinduism. He examines how cultural knowledge systems in the West lead individuals to disillusionment, and speaks about how meditation can aid in understanding the true nature of one's thoughts, emotions, and perceptions. Frawley explores meditation support practices such as yoga, mantras, kundalini, and pranayama, as well as the role of gurus, and concludes with a short, more technical essay on self-inquiry.

This book explores the ancient and deeper aspects of Mantric Ayurveda and the secrets of the ancient Tantric Tradition of Ayurveda that Mantra-Yoga forms an integral aspect of. Here one learns the traditional considerations before using mantras as well as special rituals for protection, energisation of deities, gemstones and working with the deities on an inner level for healing applications.

The Path of the Rishi is one of the first and most detailed books published in the West on the ancient Vedic origins of Yoga, including all aspects of its philosophy and practice. The book reveals secrets of the Vedic Yoga from the teachings of Sri Aurobindo, Ganapati Muni, Brahmarsi Daivarat, and Swami Veda Bharati as well as Vamadevas own insights. It challenges popular ideas of the meaning of Yoga and brings Yoga back to the vision of the ancient Himalayan Rishis.
