God's greatest desire and greatest need is relationship and that is why man was created in the image and likeness of God. We were created to live in God's presence at all times. A life outside of His presence ends in misery; it becomes a meaningless, hopeless and fruitless life. A life outside of God's presence is vulnerable to satanic attack and manipulations. That is why praise should be a lifestyle. Every believer needs an understanding of how praise works. Praise is a mystery. Mystery may not make sense but they make proofs, and it is Proofs that validates the authenticity of any mystery. One thing about mystery is that it guarantees mastery in life. Praise also guarantees the fulfillment of

prophecies. Our destiny is packages in prophecies and for such prophecies to be fulfilled, we need an understanding of what praise is. The bible says my people are destroyed for lack of knowledge. Ignorance is a killer. Praise is superior to prayer because when prayer places demand, praise takes delivery. Praise will simply handle what prayer cannot handle. Praise is the gate fee to the presence of God. Praise, worship and thanksgiving is God's language while murmuring and complaining is the devil's language. Our authority to rule in the midst our enemy is derived from praise. God is everywhere but he does not manifest everywhere, it is a lifestyle of praise that make him to manifest.

"Am I just an old fuddy-duddy or is there something wrong with the church?" That is the question that the Lord first posed to me in 2002. It was a homework assignment, and we needed to answer that interrogative before we could begin a new church plant. Two years later we had more

than five hundred pages of handwritten notes, more questions, and a few answers. Since that time, we have continued to work on this question even as we have planted a church. In the process we have concluded that the failure to worship God as He prescribes, desires, expects, and deserves is the primary reason for the failure of the church to be the testimony in the world that God desires. This book is intended to stimulate thought on this vital topic. We will endeavor to provide some answers, but certainly, not all. Pastor Hitchcock was saved at the early age of four. At the age of twenty-two he had a consecration experience which changed everything. Soon after, he began seriously studying God's Word. In 1981, he was called to service as a missionary builder and served with Fellowship of Baptists for Home Missions for a number of years. After a period of time out of the ministry

the Lord called again. This time, it was to plant a new church in the Canal Winchester, Ohio area. The process began in May of 2004 with a home Bible study and one unchurched couple. In September of 2005 the church was duly organized as Canal Community Baptist Church. In July 2008, the church acquired property on Hayes Road and the name was changed to Hayes Road Baptist to reflect the new home.

the 7 Gs of Worship. These 7 Gs of Worship are not extensive to all that encompasses worship however, these seven areas enable us to get more of a grasp on what it really means to worship in Spirit and in Truth. Here's a short overview of what each chapter will cover:

Chapter 1: **GLORIFY** Through our worship we glorify and honour the name of Jesus, in the knowledge that He alone is worthy. We glorify God in the truth of who He is and in light of His wonderful character and many attributes. Chapter 2: **GENUINE** Worship that is authentic and shows a willingness to be vulnerable. Worship that desires intimacy with our Creator God. God is Spirit and therefore we must worship Him in Spirit. Chapter 3: **GENEROUS** Worship that is generous and extravagant. We worship God with our whole lives not just on a Sunday morning. Chapter 4: **GIFTS &**

TALENTSWe worship God creatively, using all of the gifts and talents He has given to us. Exploring other forms of creativity through worship such as dance and art. Chapter 5: **GAIN VICTORY** Worship is powerful. We gain victory over our our circumstances and over the enemy when we worship. Chapter 6: **GRACE** We come as we are in worship, imperfect but covered by God's unmerited favour for us. God does not need our worship but He enables us to worship Him and this is a great gift and blessing to us. Chapter 7: **GRATITUDE**Worship that is steeped in thankfulness and stems from a grateful heart. Worship that recognises all that God has done for us and all God is going to do. In this study we will Explore, Consider and Discuss. Explore is to examine a passage of scripture and reflecting on what it means. Consider contains a helpful thoughts and insight from author, Hayley.

Discuss contains questions to prompt and provoke discussion within the group. There is also space to write down your own thoughts and ideas of what God is saying to you. Worship is powerful! It's so much more than the songs we sing at church on a Sunday morning. Worship encompasses every aspect of our lives as believers in Jesus Christ. This study guide is written with exactly that in mind and my heart, as author, is that every reader would experience God's presence more strongly than ever. I firmly believe that worship teams are fiercely under attack and my aim is to illuminate any lies of the enemy that would prevent worship teams from evoking the presence of God in the modern day church. This concise commentary, excerpted from the Fortress Commentary on the Bible: The Old Testament and Apocrypha, engages readers in the work of biblical interpretation. Contributors connect historical-critical analysis with sensitivity to current theological, cultural, and interpretive issues. Introductory articles describe the challenges of reading the Old Testament in ancient and contemporary contexts, relating the biblical theme of “the people of God” to our complex, multicultural world, and reading the Old Testament as Christian Scripture, followed by a survey of “Introduction to Wisdom and Worship: Themes and Perspectives in the Poetic Writings.” Each chapter (Job

through Song of Songs) includes an introduction and commentary on the text through the lenses of three critical questions: The Text in Its Ancient Context. What did the text probably mean in its original historical and cultural context? The Text in the Interpretive Tradition. How have centuries of reading and interpreting shaped our understanding of the text? The Text in Contemporary Discussion. What are the unique challenges and interpretive questions that arise for readers and hearers of the text today? Wisdom, Worship, and Poetry introduces fresh perspectives and draws students, as well as preachers and interested readers, into the challenging work of interpretation.

The Complete Worship Ministry Handbook by pastor and former worship leader, Andrew G. Robbins, is an extensive training resource for worship leaders, worship team members, and church members alike. Laying the foundation in the first section of the book by exploring the proper understanding and practice of true Biblical worship compared to cultural innovations, the author then turns the focus in the next two sections to worship ministry teams. Section 2 provides practical instruction to worship team members for serving God and their churches with their talents, and Section 3 provides instruction to worship leaders and ministry directors to help streamline their efforts and avoid many of the landmines associated with worship
