Many theories exist today to explain
what has become known as the
Synoptic Problem, or the remarkable
similarities between the Synoptic
Gospels. A dominant theory, Markan
Priority, suggests that Mark was
written first, followed by the Matthew
and Luke. Matthew and Luke would

have used Mark as a source document for their own books.

~~The Synoptic Gospels—Their Order & Importance in the Bible~~

The origin of the synoptic gospels and their relationships to each other have been the subject of study for centuries, and we still don't have a definitive answer to the synoptic problem. While the majority of scholars rally behind some version of Markan priority, the debate can only deal in the realm of theory.
