Offers two hundred authentic 18th century recipes, including standing rib roast, Yorkshire pudding, rack of lamb, roast quail, and rice pudding.

Favorite baked goods for sale at the Raleigh Tavern Bakery have been developed from recipes in rare eighteenth-century cookbooks. The original recipe and its modern adapted version are printed side by side. Included among the thirteen tasty treats are Queen's Cake, Gingerbread Cookies, Plum Tarts, and Pear Pie.

Offers traditional and contemporary recipes

Ranging from the simple to the sumptuous, here are over 200 recipes for modern Americans inspired by dishes and beverages the authors discovered in cookbooks, family journals, and notebooks of 150 to 250 years ago. Did you know that breakfast in the eighteenth century was typically a mug of beer and some mush and molasses, invariably taken on the run? That settlers enjoyed highly spiced foods and the taste of slightly spoiled meat? Or that, at first, Colonists didn ' t understand how to make tea and instead stewed the tea leaves in butter, threw out what liquid collected, and munched on the leaves? These peculiar facts precede tried and tested recipes, some of which include: - Cold grapefruit soup - Tweedy family steak and kidney pie - Madras artichokes - Sour rabbit and potato dumplings - Apple-shrimp curry - Pumpkin chiflon pie - Lemon flummery - And much more Each chapter of recipes is introduced with accounts of how early Americans breakfasted, dined, drank, and entertained. The illustrations of utensils, tankards, porringers, and pots used in the early days are drawn from actual objects in major private and public collections of early Americana and make Colonial Cooking a great resource for American history enthusiasts.

195 traditional & contemporary recipes from Colonial Williamsburg's famed taverns & dining places in this best selling cookbook. Commentary tells a great deal about the cooking & eating habits of our colonial ancestors & describes the meals served to VIP visitors to Virginia's restored colonial capital.

A gift-appropriate tribute to the ways that Christmas has been celebrated in America throughout three centuries features photographs of re-enacted historical scenes and is complemented by numerous recipes and activity suggestions.

These favorite "receipts" are known to have been used in Virginia households in the eighteenth and early nineteenth centuries. The Williamsburg Art of Cookery allows modern housewives to offer the same time-tested fare that pleased our ancestors.

A Colonial Williamsburg garden historian outlines traditional methods for planting and tending 50 different kinds of vegetables, profiling such 18th-century utilities as shelter paper and fermented manure while sharing complementary weather-watching guidelines, organic techniques and seed-saving advice.
