In *The End of Materialism*, Tart presents research that supports the existence of paranormal phenomena and shows readers how science and spirituality can be understood as two interconnected halves of a whole instead of as forces in opposition. The book presents Tart's most intriguing findings in his fifty-year career investigating paranormal phenomena in scientific experiments at prestigious institutions including Stanford University and the University of California, Davis.

THE END OF MATERIALISM: HOW EVIDENCE OF THE PARANORMAL IS BRINGING SCIENCE AND SPIRIT TOGETHER by Charles T. Tart. Oakland, CA: Noetic Books, Institute of Noetic Sciences; New Harbinger Publications, 2009. Pp. xi + 397. \$29.95 (hardback). ISBN 978-1-57224-645-4.

The End of Materialism: How Evidence of the Paranormal is ...

The End of Materialism is a thoughtful and penetrating book that shows how an open minded look at psychic phenomena can undercut the tendency of scientists to reject not only the possibility of mind influencing brain but also broader spiritual realities. Tart is a scientist, hardly anti-science, and clearly believes that science has something to offer.

The End of Materialism presents an elegant argument for the union of science and spirituality in light of this new evidence, and explains why a truly rational viewpoint must address the reality of a spiritual world. Tart's work marks the beginning of an evidence-based spiritual awakening that will profoundly influence your understanding of the deeper forces at work in our lives.

Amazon.com: The End of Materialism: How Evidence of the ...

Materialism is a form of philosophical monism that holds that matter is the fundamental substance in nature, and that all things, including mental states and consciousness, are results of material interactions. According to philosophical materialism, mind and consciousness are by-products or epiphenomena of material processes, without which they cannot exist. This concept directly contrasts with idealism, where mind and consciousness are first-order realities to which matter is subject and mater

Materialism - Wikipedia

The End of Materialism: How Evidence of the Paranormal Is Bringing Science & Spirit Together. by. Charles T. Tart, Huston Smith (Foreword by), Kendra Smith (Foreword by) 3.85 · Rating details · 105 ratings · 8 reviews. Charles Tart reconciles the scientific and spiritual worlds by looking at empirical evidence for the existence of paranormal phenomena that point toward our spiritual nature, including telepathy, clairvoyance, precognition, psychokinesis, and psychic healing.

The End of Materialism: How Evidence of the Paranormal Is ...

"The End of Materialism" is written in a conversational, yet well-phrased language that immediately draws the reader in. Starting off by specifying the differences between "spirituality" and "religion", and "science" and "scientism", Tart introduces himself as a well-learned, serious but eager author.

Tart says he wrote The End of Materialism "to help those who've experienced conflicts between their spiritual and scientific sides, or who are simply interested in aspects of science and the spiritual." These days I fall into the latter category (who doesn't?) In my younger days, however, I fell into the former category.

Charles T. Tart, PhD. In this book, transpersonal psychologist Charles Tart presents over fifty years of scientific research conducted at the nation's leading universities that proves humans do have natural spiritual impulses and abilities. The End of Materialism presents an elegant argument for the union of science and spirituality in light of this new evidence, and explains why a truly rational viewpoint must address the reality of a spiritual world.

The End of Materialism | Library

The close association between atheism and materialism is evident in Christopher Hitchens' edited volume The Portable Atheist: Essential Readings for the Nonbeliever which includes as its first entry a collection of excerpts from the great Roman philosopher Lucretius' magisterial two thousand-year-old poetic work De Rerum Natura (On the Nature of Things). This famous poem provides a ...
