The Myth of Mob Rule: Violent Crime and Democratic ...

The Myth of Mob Rule makes an original intervention into debates on punishment and crime by going where most criminal justice scholars and theorists of punishment have tended to stop short: to the actual and lived experiences of violence and crime, particularly among the most marginalised sectors of society. In so doing, it foregrounds what political thinkers since Thomas Hobbes have seen as a centrepiece of theories of the State: security from violence as a collective public good.

The Myth of Mob Rule: Violent Crime and Democratic ...

Democratic accountability, in this view, should be limited because too much democracy encourages impulsive, irrational, and even murderous demands, independent of actual risk. These claims about the panic-prone masses—about the dangers of “ mob rule ” — are widespread and form the central focus of this book.

Myth of Mob Rule: Violent Crime and Democratic Politics ...

In The Myth of Mob Rule, Lisa Miller compares three countries--the US, the UK, and the Netherlands--and explores when and with what consequences crime becomes a politically salient issue. Drawing from extensive original research, her findings reverse many of the accepted causal claims in the literature, finding that countries with multi-party parliamentary systems are more responsive to mass ...
